

First of Semester Quickie Survey

Please write neatly (or I'll curse you and it might just work).

1. Name (use form you want to be called; include other last name LC uses for email if applicable in parentheses):

2. Pronouns:

3. Most previous math class you passed with approximate date (high school or college?):

4. Next math class in sequence:

5. Calculator you will bring:

6. Are you an athlete at LC; what sport? Will it affect your attendance this semester?

7. Were you aware of our Tutoring Center in CM 233 (or possible on third floor)? If so, have you ever made use of it?

8. Do you check your LC email? (If not, please start as I will use it from time to time.)

9. How would you rate your algebra skills? (Pick one.)
 - a. What's algebra? No, seriously, not so good.
 - b. I can get by but it's hard for me.
 - c. I am right there in the middle. We aren't exactly friends, algebra and me, but we get along okay.
 - d. I am above average. I still have challenges but I understand it very well.
 - e. I laugh in the face of algebra. It does not control me; I control it.
